**Bristol Bay Eastside Salmon Announcement # 43**

This is the Alaska Department of Fish & Game in King Salmon with an update for commercial permit holders in the Naknek/Kvichak Districts. The time is **12:00 p.m.** and the date is **Monday, July 11, 2011.**

The cumulative escapement in to the Naknek River through 6:00 a.m. today was 785,000 sockeye, for the Alagnak River 675,000, and for the Kvichak River 1.76 million sockeye, with an estimated 100,000 sockeye below the tower.

With escapement to the Naknek and Kvichak still behind, the Naknek/Kvichak District will remain closed following the previously announced period which ends at 4:00 p.m. today. The next period will be determined by how quickly fish enter the Naknek and Kvichak River systems.

The next announcement for the Naknek/Kvichak District will be 12:00 noon. Tuesday, July 12.

This has been the Alaska Dept. of Fish & Game in King Salmon.
